

QUEENSLAND REFEREE TRAINING SEMINAR

On the weekend of the 23rd and 24th March 2019 players, coaches and officials from the Queensland Lacrosse Association took the opportunity to participate in a 2-day training program in Brisbane. The program was facilitated by international referee Alan Frost from Melbourne and was funded by the Australian Lacrosse Association and Lacrosse Australia Foundation (LAF).

Whilst lacrosse is still in its infancy in the northern state there is a sense that something exciting is building and this was reflected in the willingness of the five participants (four men and one woman) who gave up their weekend to attend the seminar.

As the sport of lacrosse begins to consolidate itself in Queensland events such as this weekend demonstrate that those involved in the sport show wonderful commitment and are prepared to work together to “grow the game” and there is no doubt that lacrosse is being nurtured in excellent hands.
